BILLIONAIRE
ZOMBIES CLUB

INTRODUCTION

- Billionaire Zombies Club (BZC) has 10,000 unique rich and luxurious zombies that are stored as ERC-721 tokens on the Ethereum compatible Polygon network. All zombies are hosted on IPFS.
- We have 3 people in our team. Axman J as the owner, Raayan as our marketing manager, Bobby as our advisor.
- We aim to make a solid and quality community for our project. We also aim to build a global company in future.
- BZC will build a membership system that allows members to have benefits and rewards in future.

THE NFT

BZC ARTWORK SAMPLES

BILLIONAIRE
ZOMBIES CLUB

THE NFT

- Our artwork is purely hand drawn by our owner Axman J.
- 10,000 zombies were algorithmically generated and assigned with different weights.
- Every zombies has their own unique and rare traits which allow holders to admire the beauty and luxury of their zombies.
- BZC NFTs were released on polygon blockchain to avoid high ETH gas fees for minters and community.
- There were soft launch for our early supporters and they get to mint first for a day with only 25 Matic (same price as public launch).
- We also made a reserve pass for users that can be purchase using PayPal/Stripes.

THE NFT

RESERVE PASS

- BZC reserve pass is to help users/buyers to get our NFT in a simpler and easier way for beginners or for buyers that are not familiar with minting.
- The reserve pass is price at only USD38 and can be purchase in our website.
- Once user purchased the reserve pass, they will be asked to fill in a form that requires their wallet address.
- This service include us minting for buyers and send them to their wallet.
- Benefit of purchasing reserve pass; no gas fee, mint by BZC and send to wallet, early access.
- This service will be continue and will be rename with 'BZC NFT pass'.

THE NFT PUBLIC LAUNCH

The image shows a dark-themed web interface for the BZC Minting DAPP. At the top center is the BZC logo with the text "BILLIONAIRE ZOMBIES CLUB". Below the logo is a large, dashed red rectangular frame containing the text "0 / 10000" in white, followed by a red Ethereum address: "0x4bca2c2ece940...". To the left and right of this frame are two circular avatars of a blue-skinned, multi-eyed zombie wearing sunglasses and holding two swords. At the bottom of the frame is a red "CONNECT" button. Below the frame, the text "1 BZC costs 25 Matic." and "Excluding gas fees." is displayed, along with a link to "Connect to the Polygon network".

BZC MINTING DAPP

BILLIONAIRE
ZOMBIES CLUB

THE NFT

PUBLIC LAUNCH

- Public launch date; 31st October 2021 (Halloween).
- Special tweet from DJ Danny to hype up our launch.
- Minting will be live and will cost for only 25 Matic or 0.01 wETH.
- We will pause minting after 2 days to build more community if we don't sold out.
- Minting will resume after we build a larger community.
- We will do paid advertising and will engage influencers to build our community.

THE MERCH

- BZC will move on to the next phase which will be the merch.
- We will give holders the privilege and benefit to buy limited edition T-shirt/hoodies.
- Holders will get a free basic T-shirt provided they trust us to give their address to post the T-shirt to them via postage.
- We will get influencers to put on our T-shirt in future to market the product.
- We will upgrade our merch and add more items in future. E.g; sneakers etc.
- We will find partners to collab with us and advertise our brand.

THE GAME

- We are in talking terms with game developers.
- We will develop an online multiplayer battle royale game for community and gamers.
- Zombies battle royale game like our BZC NFT character will be build in game characters.
- Holders will get more benefits in game like rewards and unlock more items in game.
- We are still in discussion on our gaming as we want it to be an outstanding and quality game.
- We will get youtubers/twitch gamers to play our game and advertise it.

THE 2ND GENERATION

- We will develop a second generation NFT with more traits and attributes for our zombies.
- We might or might not do the second generation in 3D. We will get community to decide.
- Holders from first generation BZC will get whitelisted for the second generation.
- The second generation will be more exclusive.
- Holders will get to build a gang in our game and will be the gang leader to own a place and battle with other gangs to conquer places.

THE MEMBERSHIP

- BZC will have a physical membership card.
- Holders of BZC NFT will get free membership subscription.
- Membership card will be send via postage in future.
- We are working and studying on how to manage a membership company as of now.
- Members will have a lot of benefits and will get rewards in time to time.
- With the physical card, we are in discussion on making it a physical cryptocurrency/fiat card in future where members can use it as a visa debit to purchase items and earn rewards.

THE MEMBERSHIP

BENEFITS & REWARDS

- Discount on our merch and members can even get free items when we do a surprise drop rewards.
- We will set up a special space for members to buy special items or get free items for the game.
- We will get partnerships with online stores/merch and members will get discounts when purchase their items.
- Discount on tickets for live events like any crypto talks or any special events that will be hosted by celebrities or influencers.
- We are in discussion and planning for more benefits and rewards.

THE FUTURE BZC

- We will do more charities of community choice.
- We will buy a land in Decentraland or any other metaverse world.
- Our goal is to build Billionaire Zombies Club a global company.
- We will try our best to make BZC a successful company.
- We might change or add on plans along the way depending on how well we do.
- Office space to work in a better environment.
- Physical merch store.
